

Thanksgiving Update

Dear Residents/Families/Friends,

As Thanksgiving quickly approaches this week, we want to take a moment to thank you for your continued support throughout this pandemic. Our facility has faced unprecedented challenges over the last eight months and we appreciate your patience and understanding as we do our best to ensure your loved ones remain safe.

We are extremely grateful that you have entrusted your loved ones to our care and we are making every effort to provide our residents with a wonderful Thanksgiving. And while the recent rise in COVID-19 cases all over the country has affected how we all are celebrating this holiday, our facility celebrated with a wonderful turkey and dressing lunch with all the trimmings.

Also, as a reminder, visitations for the holiday are as follows: Our facility will remain consistent with our previous visitation policy in an effort to keep our residents safe.

As a reminder, our total number of cases to date are as follows: 1 resident and 1 staff member have tested positive for COVID-19. The positive resident was transferred to another facility. The positive staff member was a temporary employee who did not return to the building. Our regular weekly updates will resume next week and we will continue to update you on our website if we receive notifications of new confirmed cases of COVID-19. As always, if you have any questions or concerns please don't hesitate to contact us directly.

On behalf of the entire staff at Bremond Nursing & Rehab Center, I wish you a happy and safe Thanksgiving.

Sincerely,

Geiggi Starkey
